This year marked the 26<sup>th</sup> year for the Volleyball Challenge and we raised a record-setting \$300,000! Your participation in helping raise funds will help us provide kids with a better start in life through our early intervention services and through the opportunity to experience nature and the other wonders of camp. It will also help to provide adults with greater independence and dignity by educating them on the technology that is available and appropriate for their individual needs.

Thank you for choosing Easter Seals. Your participation in this event is genuinely appreciated by the thousands of people in Delaware and on Maryland's Eastern Shore who will benefit from it.

Sincerely,

**Carolyn A. Moloney**
