

HICKSVILLE

CHAMBER OF COMMERCE

Booking a comedian for a corporate event is a risky move and Dave Goldstein did not disappoint! Our jam packed, diverse crowd of members was kept in hysterics from the moment his show started. By really getting to know his audience and tailoring his show just for them, Dave proved professionalism and comedy can mix quite well. As a result, our holiday party received more compliments from our members than ever before!

I highly recommend Dave for any corporate event, he is fabulous!

Sincerely

Stephanie Sokenis
