**Re: Dave Goldstein**

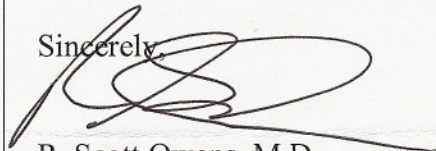

To Whom It May Concern:

It is with sincere enthusiasm that I write a letter of recommendation for Dave Goldstein.

Dave performed a comedy act at our local country club several months ago to an audience of young, old and middle-aged couples. Dave's approach was clean, yet vibrant and exciting, colored with a host of sarcastic comments that we all appreciated. He creates a comfortable setting without the typical insults seen with other comics. Although he is not always politically correct he was never offensive to the audience. I think any type of corporation, country club or private venue will enjoy Dave's comedy. The performance is incorporated with a mix of perspectives living in both Central Pennsylvania and throughout the continental United States. I highly recommend him as a comedian.

I would be happy to speak with you if you need any further references.

Sincerely,

R. Scott Owens, M.D.
