Dear David,

I would like to thank you once again for appearing at our 5<sup>th</sup> Annual Comedy Night Fund Raiser. This event has raised countless dollars for the YMCA to support both programs and financial assistance programs to belong to the YMCA.

I can honestly recommend you to any of my colleagues who would be considering hosting a comedy event such as our own. Our attendees ranged in age from 23 to 78 and everyone enjoyed themselves. Your brand of humor poked fun at everyone and did not cross the line of vulgarity in any way.

Since the evening of our event, I have received nothing but positive reviews of your performance from all of our attendees. We have also heard that of all the events we have hosted, our comedian this year has been the funniest and most entertaining.

Additionally, I would like to comment on your professionalism as an entertainer. The ballroom that hosted our event is not a traditional stage and had issues with lighting and the microphone utilized. You were very understanding and did not let those issues affect your performance.

The staff, board and attendees of the Geneva Family YMCA 5<sup>th</sup> Annual Comedy Night strongly recommends David as a performer for fundraisers or group events. Our event was a success and I am sure you will find David's performance both fun and entertaining.

David, Thank you for a great performance, and I hope to see you again when you tour this summer. Thank you for helping build strong kids, strong families and strong communities!

Sincerely,

Richard Presutti  
Executive Director

*Thank you so much!
