To Whom It May Concern:

I am happy to say that working with Dave Goldstein has been a wonderful and totally positive experience. Not only did we have a sold out crowd and a fabulous comedy night but working with Dave was also a pleasure.

I would recommend hiring Dave for any group that is looking for a professional comedian who is not only funny but a genuinely nice guy. Judging by their laughter, the audience certainly seemed to agree. The whole evening was a huge success.

Sincerely,

*Carla Rosenfeld*
