

The Junior League of Harrisburg, Inc.
Women building better communities

To Whom It May Concern:

Dave Goldstein recently performed at a Comedy Fundraiser I organized for The Junior League of Harrisburg, Inc. in Harrisburg, PA. For almost an hour, he entertained our members and guests with an original act that really appealed to the entire audience of all ages. His performance was hysterical and our members are still calling me with compliments for this show and Dave's act in particular.

I would encourage any group to have Dave perform at its next event, and I'd be happy to speak with anyone about my recommendation. Not only was the event a huge success, but Dave was extremely easy to work with as we prepared for the event.

Thank you.

Regards,

Liz Delaney
