Dear Dave,

I would like to take this opportunity to thank you, once again, for performing at the second annual Junior League of Harrisburg, Inc., Comedy Night fundraiser. Not only was the league able to raise a lot of money, but we had an incredible amount of fun doing it; all thanks to you!

As you know, it was because of your outstanding performance at this event last year that we welcomed your return again this year. I can proudly say that the audience was just as enthused and entertained this year as they were last year. Your original script and willingness to personalize your comedy to our area, and even to those attending the show, is a testament to just how talented you are!

Since your performance, I have received many accolades about you, your professionalism and your humor. It is because of these high remarks and our experience working with you last year that I strongly recommend you to any group seeking a professional comedian.

Wishing you great success,

Christine L. Line
