Dear Dave:

Thank you for agreeing to perform at the Weinstein JCC Annual Comedy Night.

With comedians, one never knows how they will be received, but you certainly were a great choice! You were engaging, tasteful and extremely funny! The feedback from some of those in attendance was very positive. Everyone had a great time and laughed a lot. Certainly, it was one of our most successful Comedy Nights.

Dave, I have recommended you to other venues in our area, and I wish you the very best.

Orly Lewis  
Director of Adult Services
