

Dear Keith,

I just want to thank you again for the wonderful comedians you supplied Tuckaway Country Club with for our latest comedy night. The night was a huge success, with members raving about both performers, Tim Walkoe and Dave Goldstein.

While Tim Walkoe had a ranting, 1000 mph act, Dave Goldstein was more approachable. Dave's act was very well polished, country club clean, and had the members laughing so hard they cried... which was good. I would highly recommend Dave Goldstein to anyone who wants to have a highly successful comedy night.

Sincerely,

Chris Reinheimer
